invites you to

ar-bo-re-tum
Tour of Trees

by T S Srinivasa

on Sunday, 6th October 2019 at 11.30 am

Trees are a part of India's rich cultural heritage and traditions from time immemorial. Many species which we commonly see in our surroundings have been venerated, worshipped, protected, admired and adored for thousands of years. In the current age where trees are planted for either economic considerations or ornamental purposes, we take a look at them from the perspective of their association with history and culture.

Want to know which trees and plants grow in NGMA Bengaluru premises!

NGMA Bengaluru is happy to announce the ar.bo.re.tum which also reminds the ideology of Gandhi who himself was a deep ecologist and immense value of nature, is also delighted to conduct Tree walk in the premises to help people to familiarise with the flora and fauna, field methods and data collection. These kinds of programmes help in sensitizing the people to the issues of sustainability and environmental protection, resulting in cleaner and greener habits that be resulting in an eco-friendly society.

This is initiation is scheduled once every month on Sunday. The second walk is announced on 06th October 2019, Timing 11.30am Sunday.
