In her film Architect Nili Portugali takes us into a deeply intimate journey in the Kabbala holy city of Tsefat.

A journey that unfolds to a discovery of **universal insights** from her holistic/scientific/Buddhist P.O.V:

What is the secret of all **Timeless** places in which man feels '**at Home**' & what is that '**One Pure Art of Making**' that creates them. **At any culture; place; time.** That, via **reconstructing** childhood memories engraved on each stone of the city's history
