The City Through a Child's Eyes

Children are among the primary users of their urban environment, which has a direct and profound impact on their development. Have you ever wondered about how your kids interact with the city? Have you ever grappled with teaching your kids about the history, culture, architecture and locations of our sprawling and diverse metropolis? **NGMA Mumbai**, Ministry of Culture, Government of India in association with **Avid Learning** presents a panel discussion around *Totally Mumbai*, an exciting new children's book that introduces young minds to our maximum city in a fun and engaging way! Join *Co-authors of Totally Mumbai* **Pereena Lamba** and **Miel Sahgal**, *Publisher, Funokplease*, **Preeti Vyas** and *Journalist and Children's Book Author* **Shabnam Minwalla** in conversation with *Children's Writer, Editor and Curator of Children's Literature Festivals* **Lubaina Bandukwala** as they discuss anecdotes and fun facts about the city and writing for kids in a manner that engages their interest in this rich city they are living in.

This discussion is part of our **Multipolis Mumbai** series, which decodes the past while looking to the future and finding novel ways of engaging, interacting with and reenergizing the city that we love!
