Want to know which trees and plants grow in NGMA Bengaluru premises!

NGMA Bengaluru is happy to announce the ar.bo.re.tum tree walk scheduled once every month. Reminding the ideology of Gandhi who himself was a deep ecologist and immense value of nature, is also delighted to conduct Tree walk in the premises to help people to familiarise themselves with the flora and fauna, field methods and data collection. These kinds of programs help in sensitizing the people to the issues of sustainability and environmental protection, resulting in cleaner and greener habits that be resulting in an eco-friendly society.
