

# AIR BEYOND THE CANVAS

From sculptures that invite touch to textiles that mesmerize, to photography that captures fleeting moments to installations that immerse us in new worlds, visual art embraces endless possibilities, cutting across conventional boundaries and captivating the hearts and minds of art lovers worldwide.

On the occasion of the upcoming **Maharaja's Treasure: Select works of art from the famed Air India collection—an exhibition** at the **National Gallery of Modern Art, Mumbai**, join us in a thought-provoking panel discussion where creative minds share their unique experiences and perspectives on the multifaceted nature of artistic expression. Delve into the fascinating language of art, as we explore the profound impact it has on our lives, transcending the constraints of time and space.

Step into the enchanting realm where art breaks the physical limitations of traditional mediums, embracing countless forms and igniting human imagination.
