

चित्र-वस्तुविचार प्रभाकर बरवे

The book begins with Prabhakar Barwe's discourse on the universal creative process that also includes his innermost thoughts on art, and his life as an artist. With an exclusive & comprehensive selection of excerpts from his diaries, this book offers an insight into the artist's creative psyche, published in it's original handwritten form.

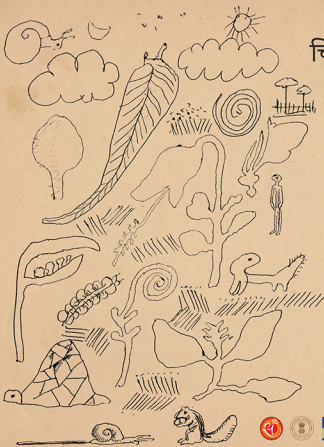

Book Launch:

Saturday, 22nd February 2019
