REVIVING TRADITIONAL INTERIOR DESIGN AND TEXTILES

NGMA Mumbai, Ministry of Culture, Government of India and Avid Learning present a panel discussion on how heritage interior design, textiles and lifestyle elements are being rejuvenated and updated in our city today. Join *Founder and CEO, Adventures in Art* **Karen Stone Talwar**, *Vice Chairman at Bharat Tiles* **Firdaus Variava**, *Furniture Designer and Co-Founder at BARO* **Siddharth Sirohi**, and *President-Apparel at Raymond Group* **Gaurav Mahajan** who will be in conversation with *Handicrafts Artist and Founder at Amba* **Hema Shroff Patel**. This talk will centre on how these professionals, practitioners and visionaries are taking the best of Swadeshi interior finishes and design and textile traditions and updating them for a chic Mumbai of today, with a decided nod to the traditions of old. This discussion will also touch upon heritage entrepreneurship and explore best practices from remarkable initiatives from the West that are promoting cultural tourism in India. This year marks 150 years since the birth of Mahatma Gandhi and with this panel we endeavour to honour his revival and support of the Swadeshi way of life.
